

Call for Abstracts

EPCOS 2026 • Deadline: 31 May 2026

**Submit your contribution to the
European Phase Change and Ovonic Symposium**

Who: Academia, research institutes, and industry

What: 2-page abstract for oral or poster presentation

Program highlights: 15+ invited talks from leading experts

Focus

Topics include, but are not limited to:

- Phase-change materials & memory
- Ovonic threshold switch (OTS) selectors
- Selector-only memory (SOM)
- Phase-change photonics, plasmonics & metamaterials
- Neuromorphic & in-memory computing applications

Abstract Submission

Prepare a **2-page PDF abstract** using the official EPCOS 2026 template (downloadable from the conference website). Submit your abstract via the online submission form on epcos2026.be.

- Contributed abstracts will be considered for oral or poster presentation by the Program Committee. Selection is based on novelty, technical quality, and relevance to the symposium topics.
- Accepted abstracts will be published in the conference proceedings and made available on the conference website.
- Authors of selected abstracts will be invited to submit a manuscript for a special collection on Phase-Change and Ovonic Materials in *physica status solidi (RRL)* – *Rapid Research Letters* (pss RRL) after the conference.

Important Dates

Submission deadline: 31 May 2026

Notification of acceptance: 8 July 2026

Early bird registration deadline: 31 July 2026

Conference dates: 20–23 September 2026
